Overview

Short on time? The Afrosiyob high-speed line links Tashkent, Bukhara and Samarkand in a few comfortable hours, so four days are enough to see the two jewels of the Silk Road properly.

You ride the train three times, a driver meets you at every station and a licensed guide shows you around each city. One evening you share a home-cooked dinner with a Samarkand family.

Your trip is planned and run by Khikmatilla, a licensed Uzbek tour guide and founder of Tashkentguide DMC, with licensed local guides in every city.
